Please join IFA QLD and your industry peers for IFA's QLD Long Lunch at the Queensland Cricketers Club, overlooking the iconic Gabba. Enjoy a delicious lunch while hearing from our informative and entertaining speakers. Finish off lunch with a chocolate tasting plate matched to the wines of the day.

Channel 9 & Triple M's "Rush Hour" Announcer, Ben "Dobbo" Dobbin will MC the lunch and also introduce our speakers:

**LINCOLN LEWIS**  
*Actor, dancer & all round great guy*  
From a young age Lincoln has been in the media spotlight as the son of one of Australia's most loved football legends, Wally Lewis, but now he is a star in his own right.

There was a time when Lincoln considered football as a professional career, but with time constraints and a busy filming schedule there came a time when Lincoln had to choose between football and acting. Acting won and he's been working on big budget movies and Australian TV commercials ever since.

**DANIEL ALLEN & ED ROSS**  
*Co-founders, TradeMutt*

TradeMutt is a social enterprise founded by two tradies, using bright work shirts and a fun brand to make the invisible issue of mental health impossible to ignore. It is TradeMutt's goal to empower individuals with the tools, resources and knowledge they need to prevent people from finding themselves at crisis point, while clothing working men and women in vibrant, feel good work wear.
